

Baraboo Public Library Circulation Policy

Obtaining a Library Card

- Persons providing a current photo ID along with proof of residence in Wisconsin, except for Milwaukee County, may be issued a library card.
- Examples of documents that provide proof of residence include a driver's license, recent cancelled mail such as a utility bill addressed to the applicant, a check stub, a personal check, a hunting or fishing license, or a lease agreement. If desired, the library will mail a postcard to the address provided by the applicant to facilitate the provision of proof of residence.
- Persons whose permanent residence is out of state but own property in Sauk County are also eligible for a library card. Presentation of a property tax bill will provide proof of property ownership.
- The library card can be used in any public library in the South Central Library System (SCLS).
- A parent or legal guardian must sign the registration form for patrons under age 16.

Card Updates and Replacement

- For updates of expired cards and address changes, staff will ask the patron to state current address, phone, and birthdate. ID and proof of address may be requested for confirmation.
- Although a patron's first card is free, a charge of \$1.00 will be assessed for each replacement card. Refunds will not be given for lost cards that have been replaced and are later found.

School/Daycare Cards

- School/daycare cards are available to any K-12 school, preschool, or licensed daycare within the Baraboo School District. The purpose is to allow teachers and media specialists easy access to Baraboo Public Library materials needed for classroom use.
- A school/daycare card can be issued whenever a principal or administrator, on behalf of the institution, accepts responsibility for such a card. Daycares and private schools must provide the library with a list of staff authorized to use the card.
- When checking out materials, the staff member should be prepared to show ID; the card need not be presented.
- School/daycare cards are exempt from overdue fines. In the event that borrowed materials are lost or damaged, the institution is responsible.

Visitor Cards

- A visitor is defined as a person whose permanent residence is in Milwaukee County or out of state. A visitor card is intended for patrons planning to be in the area for at least one week but fewer than six months.
- A visitor card will be issued upon completion of a registration form, provision of a current photo ID and proof of address.
- The Library will issue a Limited Use card. If a visitor becomes a permanent resident, they may furnish proof of permanent residence to have their card updated to full status.
