Note: This chronology is of the development of business' on **West Pine Street** in the village of **West Baraboo**, which in 2012 may also be known as Highway 12, City 12 or maybe County "BD". It chronicles the growth of the retail/commercial growth along the highway starting at the bridge over the Baraboo River and continues north to the village limits. Some businesses that have addresses on an intersecting street are also listed because they also border on West Pine.

Most dates shown are approximate.

This is a new chronicle so I need lots of help in determining dates, locations, owners etc. of businesses along this strip. Don't be shy about contacting me.

314 West Pine Street Parcel No. 0290-00000

This property has been occupied as early as 1987 by **McDonald's Corporation** and from 1999 to present day (2012) has been owned by **McDonald's Real Estate**.

315 West Pine Parcel No. 0092-10000

In early 1989 it was announced that **Wal-Mart Properties Incorporated**, a Delaware Corporation, had purchased the property behind the Pick n' Save from Don Pierce. The purchase went on record April 21, 1989. From 1992 until 2007 this property was owned by **Inland Northern Point**. As of this writing (2012) this

property appears to be owned by **B H West Baraboo LLC** who has had possession since 2007.

Sharon L. Vogt...Lived in a gray house with white trim. It was the only house between the bridge over the Baraboo river & the A & W at that time. She recalls that there was a restaurant cross the street, possibly Harrison's where McDonalds is located as of this writing (2012).

When a copy of their house was posted on Facebook, Sharon replied "Hey, that's my old house! It was completely renovated when we moved in. I will post pictures of it when I get them from my Mom. It was about 20 ft. from Hwy. 12. The 1st night in it was a summer night with windows open, and it sounded like the semi's were coming right into the room with me. Awfully noisy."

There is also a posting on Facebook stating that a **Harm's Family** lived here at one time??

It appears that there was an Ice House between the house and the A & W Stand. The name of **Al Jahn** appears in that regard. The date is not clear but we know that In July of 1953, Jahn had an office at 125 Water Street and had purchased the ice division of the **Baraboo Ice & Locker Co.** The **Crystal Clear Ice Company** remained on Water Street until at least 1959. Kindschi started the ice business in 1939 featuring artesian well water in its product. Also, there was a **Jahn Ice & Oil Co.** in 1969...where?

Eventually Wal-Mart moved south to the corner of Highway 12 and County "W". **Gander Mountain** and **Slumberland** then occupied the former Wal-Mart building at this location and both are there at present (2012).

320 West Pine Street

Maybe part of McDonald's Parcel No. 0290-00000

Nestroy's Garden Restaurant, Standard Station and **Cabins** was located here in the 1940's. **John F. Filip** purchased the **Service Station, Garden Restaurant** and **10 cabins** in 1949 and operated this business until mid-1968.

West Pine Street (Hwy. 12) North of the Bridge (Includes portions of Hwy. 33 & 136) West Baraboo

Bill Garrisons's Restaurant was located here from mid-1968 to 1973 and **Harrison's Restaurant** in 1975. McDonalds would have encompassed this site along with 314 West Pine Street.

400 West Pine Street Parcel No. 0234-00000

The **Lyons' School** was located at this site, with the front entrance facing east. When asked, **Carol Losch Horne** remembered..." Yes you are correct in the location. The last year that school was used was in 69 [1969]. They closed it in June that year at the end of the school year. I believe it stood vacant until they razed it for the Pizza Hut. Which was perhaps a couple years afterwards, not entirely sure of that. I remember being disappointed that I wasn't getting to "move upstairs" to the big grades the next year. Classrooms for 4-6 were on the second floor. First Floor was 1-3 and we had lunch in the basement."

Hardees Restaurant was located here from 1975 to 1989, then moved to 675 West Pine Street. They evidently sold this parcel to the **Baraboo National Bank** who established a satellite banking center here. The Baraboo National Bank has owned this property since as early as 1992 and probably earlier.

419 West Pine Street Parcel No. 0095-00000

Chun-Nan & Nuo Shi Lee are shown as owners between 2005 and 2010. **Nuo Shi Lee** is shown as the owner on 2010 and until the present date (2012).

In 1949, **Curt Farr** opened an **A & W Root Beer** stand at this location in a 20ft. square building. **Marie Leidholdt** and **Art Schultz** ran the operation while Baraboo High School coach, **Bill Leidholdt** conducted the A & W Stand on South Boulevard...

Dayl and Carol Sorg purchased this stand in 1954 and in 1959 added a car port and hired carhops. They called their new establishment, **A & W Family Restaurant**. During the 1960's and 1970's they sold chili-dogs for 19-cents on Tuesdays as that was a slow day.

Sharon L. Vogt writes; "I was one of the carhops. Our house was right next to the A & W. The house was taken down so all of the fast-food's and mini-malls could take over Hwy. 12. It was a gray house with white trim. The only house between the bridge over the Baraboo river & the A & W. Across the street from us was a restaurant...Phillips, maybe. I have lots of pictures."

*David Skaife notes; "The restaurant across the street would have been **Harrisons**, I think. I use to deliver newspapers there every day when I was a kid".*

*Lori Weinke Christenson states; "Gwen, they were called **Coney Dogs** back then right? When we were small we sat on the steps leading down to the trailer court, loved to pass the time watching all you girls work...Loved Dayl & Carol both, they were like my other parents. This site is so exciting to bring back old time, you never realize how much has passed you by until we start talking about the way we were".*

From what can be gathered, Sorg's had a trailer court at this address. The **Sorg Trailer Court** sat just west but adjacent to and below the **A & W Root Beer Stand**. There were steps leading down to the trailer court.

"Buster" & Evelyn Wilcox operated the **Wilcox Fresh Fruit and Vegetable Stand** adjacent to and just south of the Root Beer Stand in the 1950's,

The business was sold to **Tony & Rita Capparelli** and their son **Richard** and his wife **Lee** in 1977. At that time **Sorg's Trailer Court** was directly behind the restaurant. The Sorg's held an A & W reunion in 1990 and 200 people from 14 states attended. In 1986 Rich and Lee had the business remodeled adding a drive-up window.

In 1987 there was a proposal to build a strip mall along the west side of Highway 12 from the corner of 136 south. This never happened but an article in the Baraboo News indicated that on that property there were 2 trailers on the unused Kick-A-Poo lot and also an A & W Stand.

Due to highway 12 expansion, their total parking space had shrunk to the point where they could no longer operated as a

West Pine Street (Hwy. 12) North of the Bridge (Includes portions of Hwy. 33 & 136) West Baraboo

drive-in. Prior to the expansion the A & W property had extended to the center of the (now 2012) divided highway.

About 1999 **Jeff Lee** and his wife opened the **Wok King Restaurant**, having moved from across highway 12. Jeff Lee later passed away at his homeland, Taiwan, and his wife continued the business.

422 West Pine Street

Parcel No. 0233-00000

Pizza Hut, Richard Divelbliss is listed as owner(s) as early as 1992 and no doubt earlier and has been occupied by the **Pizza Hut** as early as 1976 (and maybe earlier) until the present (2012).

506 West Pine Street

Parcel No. 0230-00000

South of and Adjacent to 527 Linn Street

Koch's Super Service Sinclair Station & Cabins was located at this address giving way to **William E. and Rose M. Baker** who operated **Bakers Restaurant, Cabins** and **Sinclair Service Station** as early as 1950 and still listed in the phone book in 1973. (The 1989 Yellow Pages lists **Taco John's** being located at this address...may be an error.)

Darrell & Jacqueline K. Klingenmeyer, owned this site as early as 1975 with **Jacqueline Klingenmeyer** having sole ownership since the about 2000.

The Klingenmeyers constructed a building at this address for "**Burger America**". The date is unclear but Jackie Klingenmeyer relates that there were no buildings on this corner prior. **Taco Johns** then entered the picture as early as 1989 but though the food was great it lost business to Taco Bell that was established at 629 Pine Street..

This business did not survive and the building was turned over to an unknown entity who sold Chicago Style Hotdogs and Italian Beef sandwiches. This business failed very soon after it was established.

A short time later, **Wok King** was established here, later moving across the road to the former A & W Building vacated by the Sorg's. The building at this site was then razed and a new building was constructed for **Kristina's Family Restaurant** which **Mike and Kristina Beciri** moved to from downtown Baraboo and conducted business here between August of 2000 and 2010. They were followed by the **El Vallarta Mexican Restaurant**. As of 2011 **Los Nopales Mexican Restaurant** was being conducted here.

Sandy Bader remarks; "I remember Baker's. Used to go there after basketball games (or anything on Friday nights) for french-fries and cokes".

Dr. Tinkham's Dentist Office was located at this address in the early 1950's. An interesting side note about the west side of High Way 12. I think Dr. Tinkham owned most of that property from high way 136 to the river and west on highway 136 over the hill and down the other side. Tinkham sold a big part of his land (about 27 acres) to **Al Brown** for the **Baraboo Concrete Plant**.

In the early 1950's this writer's father had a bad tooth ache on a Sunday morning...we went out to the Dr's office which was on the corner, directly south and across high way 136 from Walgreen's. The Dr. was outside in front of his office laying up a decorative stone wall and after some convincing he was talked into pulling my dad's tooth as long as he did not have to freeze it. He took off his gloves, pulled the tooth, charged my dad 50-cents and we were gone.

Henry "Hank" Wedekind's Texaco Station was here as early as 1950 and as late as 1960. They removed Tinkham's dental building and constructed a new building.

Ray Elzea's House Trailer Sales was located on this corner in the 1950's.

West Pine Street (Hwy. 12) North of the Bridge (Includes portions of Hwy. 33 & 136) West Baraboo

It is believed that **Al Brown**, founder of Baraboo Concret Co., owned this corner lot in the 1960's

The **Kickapoo Oil Company** conducted a **Gas Station** here as early as 1973 and as late as 1982.

527 Linn Street

(SE Corner of Highway 12 & Linn Street)

Parcel No. 0229-00000

It is believed that **Oriel Philbrick** owned this corner lot and that in 1950, **West Baraboo's Cities Service** was located here, operated by **Robert and Ray Astle**. It is known that the Astles were here in 1953. There was a huge arrow on the top pointing to BARABOO. "Bob" and Ray had worked for the Ford Dealership prior to this move. "**Penny**" **Accola** also sold cars from this location. After Astle's, **Mike & Wayne Steinhorst** conducted business here. **Don's Cities Service** is here in 1960; **Harold Richard** is conducting the **Cities Service Station** in 1961 and possibly as late as 1964.

Darrell & Jacqueline K. Klingenmeyer, owned this site as early as 1975 after purchasing it from **James Mattei**. At that time there was a quon-set building on the corner which the Klingenmeyers used for their **Arctic Cat Sales & Service** headquarters. The state later widened highway 12 and Klingenmeyers constructed a new building for their snowmobile sales. Darrell Klingenmeyer passed away in 2011.

Jacqueline Klingenmeyer has had sole ownership since the about 2000. From 1982 to at least 1989, the business was known as **Darrell & Jackie's Sports Haven**. As of 2012 it is occupied by the **Shoe Box Outlet Store**.

602 West Pine Street

Parcel No. 0025-00000 & 0024-00000

Neal Astle claims there was a **Mobil Station** on this corner. It is known that a **Royer's Mobil Station** existed on West Pine Street in 1950, **Parchem's Mobil Station** in 1960, **Don's Mobil Station** in 1961 & 1962 and a **Mobil Service Station** in 1966.

Kerr-McGee Co purchased the Deep-Rock Co. in 1955. It is probable that **Struck & Irwin** owned a franchise of **Deep Rock Stations** and leased them out. There was a Struck & Irwin Deep Rock Station here in 1968. **Wayne Smith** operated **Wayne's Deep Rock** in 1969 through 1972. **K-M** (Kerr-McGee) brand and logo eventually replaced Deep Rock and continues in use today. (Also, it is thought that **Rocket Ray's Deep Rock Station** was here early on???)

In 1973, **Wayne's Zephyr Station** was here. In 1975 it was known as the **West Baraboo Zephyr Station**. **Vern Fry** was conducting the **Westmont Zephyr Station** here in 1976. **Stuart Fuller** operated a **Zephyr Service Station** on Highway 12 in 1977...probably at this site.

Next a **Kwik Trip Convenience Store** was built here close to the road; later a new one was constructed that exists here as of this writing (2012).

New Ritz Restaurant and Filling Station

An article in a June 1935 *Baraboo News Republic* announced the grand opening of "**The Ritz**", Baraboo's newest restaurant and night club. The Ritz was located on the north-west corner of the intersection of the then highways 12, 13 and 33 at the western city limit, and was operated in connection with a filling station on the same corner by **Ed. Ritzenthaler** of the Ritz Oil Company of Baraboo. The grand opening was held on Saturday night, July 13, 1935 with a floor show and an orchestra for dancing. **Ralph Jackson** of Baraboo was the manager.

In December of 1935, the management of The Ritz, located at the Lyons corner, was taken over by **Al** and **Lester C. "Dusty" Boyd**, Baraboo brothers, who would inaugurate the new **Boyd's Restaurant** and new management with a New Year's Eve party. A special orchestra and entertainment was arranged for the first New Year's Eve party at the Ritz, which in addition to a large dance floor and dining room included a filling station which the Messrs. **Boyd** will operate.

Arnie Madalon open **Arnie's Ritz Restaurant** here sometime between 1966 and 1968 and operated it until 1982. Though the years are not clear it appears that the Ritz was transferred next to the **Culver's** of the **Culver's Fast Food Chain**, then to the **Bob & Pat Morgan (1987)** and finally was razed and **Walgreen's Drug Store** was constructed and stands here as of this writing (2012).

614 West Pine Street
Parcel No. 0023-00000

This address varies as Highway 12, 511 Pine, Rt.4, 611 Pine and 911 pine however it is more than likely 614 West Pine Street.

The **West Baraboo Inn** obviously was the correct title for this establishment, but it was also known as just plain **Melby's**.

This tavern was in operation here as early as 1953 and as late as 1982 and was operated by **Nels** and **Genevieve Melby** except, in 1980 when **Frank Bender** was in charge. Also in 1966 it was known as **Fred & Judies Tavern**.

Fish Building Supply is listed as being here from 1977 to 1989, this timeline seems to overlap when Melby's was here. There may have been room for both operations for a while?

Next **Timothy R. & N.A. Cummings** owned this property operating **Tim Cummings Construction** until 1999 followed by **Aldi Foods** which is still located here at present (2012).

615 West Pine Street

Sometime prior to 1994 **Martin Berning** owned this property; while in 1994 **M & A Real Estate LLC** was the owner. **M & R Travel Mart LLC** has owned and operated this business from 2002 to the present (2012).

John M. Johnson and Farrey operated the **Far-Mor Oil Co.** here during 1977. Evidently Johnson became the sole owner in 1980 and changed the name to **Glacier Oil Company** and conducted business here as late as 1987. Farrey and Johnson also were partners in the **Far-Mor Realty Company** at this address in 1977.
