

What is a “READO” Card?

Do you know how to play BINGO? READO is the youth summer reading program version of BINGO! Do any six activities to complete a row across, down or diagonal. Bring your card back to the library and you will receive a FREE book once you have completed one “READO.”

When you complete three “READOs” you will receive a cup of coupons from area businesses AND you can also put your name in for the weekly drawing. One prize drawing per age group per week will take place on Monday mornings. You do NOT have to be present to win. Winner will receive a phone call on Monday morning. Prizes TBD week by week.

The following information has been updated as of June 6.
